**\*\*\*\*\* Illegal Dumping of Garbage \*\*\*\*\***

Recently, the municipal office has received several complaints about people who are too late in getting their garbage or recycling materials to the side of the street for pick up and are instead depositing these bags of garbage and recycling materials in front of the homes of other residents. If you have missed the garbage truck or the recycling truck, please be neighborly and take your garbage to the dump, don't leave it in front of someone else's home or driveway. If you have missed the recycling truck, there is a bin at the dump for you to place your recycling materials into.

Thank you for your co-operation in this matter.
