

## **Winter Snow Removal**

Council wishes to remind all residents that it is an offence to put snow from your property onto town streets. Anyone caught putting snow on the streets will be charged with littering. It is suggested that you contact the local snow removal contractors to have your snow hauled away to avoid any obstructed view on corners and driveways. The Township of Larder would appreciate everyone's cooperation in this matter.

## **Winter Parking on Streets**

Please be advised that from November 1<sup>st</sup>, to April 30<sup>th</sup> of each year residents are asked not to park on the streets from 12:00 midnight to 7:00 p.m. All vehicles are to be parked inside Township pole lines on the owner's property. Should we be required to do snow plowing during these hours, we will have your vehicles towed away at the owner's expense. We would greatly appreciate your cooperation by not parking on the streets when there is a snow storm.
